Congratulations,

We sincerely hope this message reaches you in good health and safety.

We are delighted to inform you that you have been chosen to participate in the GirlScript Summer of Code'24! Amidst stiff competition, your exceptional application managed to shine brightly among the submissions!

So, brace yourself for an exciting three-month voyage alongside the open-source community. It promises to be an adventure, but we are confident you possess the skills to excel!

We kindly ask you to join the provided Discord server to stay updated on program details.

Join [Discord](#) here.

Instructions:

- Please ensure that once you're in the Discord server, you update your nickname to "Name | Contributor" to reflect your participation in the program.
- Upon joining the Discord server, we kindly request you to regularly check the #announcements channel to remain informed and ensure you don't miss out on any crucial updates throughout the program.

Additionally, don't forget to check the [attachment](#) to your favourite GSSoC'24 badges. They're vibrant and eye-catching, perfect for flaunting on your preferred social media platforms! We can't wait to see you sharing them and tagging us on LinkedIn, Twitter, and Instagram. Get ready to turn heads and spark conversations!

Our social media pages are ideal hubs for connecting with fellow participants, mentors, and program organizers. You'll also stay updated on all the thrilling events, webinars, and other opportunities we have lined up for you!

So, don't hesitate! Hit that follow button and become a part of the vibrant GirlScript Summer of Code'24 community today!

Congratulations once again on your selection!

Warm regards,

GirlScript Summer of Code 2024 Team
